Dear Atikah Anwar,

On behalf of the [Congress Scientific Committee](#), I invite you to contribute to the leading edge interdisciplinary programme at the **ISPO 17th World Congress**, taking place 5-8 October 2019, Kobe Convention Center in Kobe, Japan.

The congress theme **“Basics to Bionics”** reflects the breadth of the rehabilitation field and assistive technology, including traditional rehabilitation approaches and more complex interactions between humans and machines (rehabilitation robotics), while embracing the relevance and importance of both basic and emerging technologies. The programme features Symposia, Instructional Courses, Free Paper and Poster Presentations as well as Exhibitor Workshops.

Sponsorship to attend the ISPO World Congress 2019

Dear Atikah Anwar,

In recognition that some participants may need financial assistance for travel and accommodation related to their attendance at the ISPO World Congress 2019 held in Kobe, Japan, ISPO will provide a travel stipend as well as fully waived registration fees.

Successful candidates will receive free registration, and, in addition, a travel grant, the amount of which will be determined based on the home country of the applicant.

Interested candidates are invited to submit their application for a travel stipend by **28 February 2019**. Prior to making a submission, please review the selection criteria and the application guidelines [here](#).
